OBJECTIVE

Dedicated Java Developer with a strong foundation in building efficient and scalable applications. Known for being a proactive problem solver and quick learner, I aim to leverage my expertise in Java, Spring Boot, and RESTful APIs to tackle complex challenges and contribute to innovative software solutions. Passionate about continuous learning and staying updated with industry trends.

EDUCATION

Master of Computer Applications

Dr. APJ Abdul Kalam University, Indore

08/2023 - 07/2025

Bachelor of Computer Applications

Medicaps University, Indore

10/2020 - 05/2023

SKILLS

Technical Skills Java, SpringBoot, Spring Data JPA, Spring MVC, Restful API, Hibernate, Microservices
Mysql, Redis, JUnit, Maven, Git, Docker

Soft Skills Presentation, Time-management, Adaptability, Collaboration

Languages English, Hindi

PROFESSIONAL EXPERIENCE

Java Developer

Tata Consultancy Services (TCS)

July 2023 - Current

Pune, Maharashtra

- Contributed to the development of a high-performance web application for a major US client, enhancing user experience and functionality through effective Java coding and application design.
- Designed and implemented RESTful APIs to facilitate seamless communication between front-end and back-end systems
- Utilized Java, Spring Boot, and Hibernate to build scalable and maintainable services, while implementing caching strategies to enhance performance and reduce response times.
- Currently exploring microservices architecture through hands-on experience, focusing on its application in managing large-scale applications.

PROJECTS

Expense Tracker: Developed a personal expense tracking application using Java and SpringBoot, enabling users to monitor and manage their financial transactions efficiently.

AREAS OF INTEREST

- Coding and Debugging
- Learning new technologies
- AI and ML

COURSES & CERTIFICATES

- The Complete Java Certification Course (Udemy)
- How to use ChatGPT and Generative AI to help Create Content (Udemy)
- Advance Java Concept for High Performance (LinkedIn Learning)
